### Personal Trainer Information

Our programs are structured to ensure you start strong and get the support and accountability you need to reach your goals. Studies show that 75% of people who exercise on their own are not getting the results they want. Out of the 25% of people who are getting the results they want, *90% of them are working with a Personal Trainer.* You can have your own personal trainer who will create a custom designed program, monitor your progress, and provide you with the accountability and motivation you need to reach your goals.

**Tracy Primeaux**  
**Lisa Lovett**  
**Mary LaCombe**

**\$30 for 30 min.**  
**\$50 for 60 min.**

Contact us at (337)310-8424 to get in touch with a personal trainer and schedule your first session.

**Pickleball** is a game resembling tennis in which players use paddles to hit a perforated plastic ball over a net. The rules are simple, and the game is easy for beginners to learn, but can develop into a quick, fast-paced, competitive game for experienced players.

**Call Mike for private pickleball lessons!**  
**(337)302-7296**

**Beginner Pickleball** Select Fridays from 3 to 5pm we will have 3 nets setup for beginner players. \$5 per person. (Instructor not included) Childcare offered, see childcare fees above.

### Instructor-Led Classes

**Fit Senior** - A well rounded program created especially for senior citizens consisting of walking, low impact aerobics, chair exercises, bending and stretching to cool down.

**Fitness X** - This class is a mixture of strength training exercises and cardio movements for optimum body conditioning.

**Tabata** - This class is alternating periods, or intervals, of extreme high-intensity exercise for cardio and strength-based movements for body conditioning.

**Weights** - This class is total body strength training and toning.

**Stretch Express** - Stretch and mobility-based class that aims to improve functional capacity, recover better, and prevent injury.

**Zumba** - Dance-based fitness class that incorporates both cardio and resistance training components designed to tone and sculpt the entire body.

**Spin** - Challenging and fun way to improve cardiovascular fitness and burns lots of calories.

**Low Impact** - Adaptive fitness class offering strength, toning, and light cardio for a full body workout.

**Cardio** - Weekly rotational cardio classes including Cardio Jam, Cardio Kickboxing, Step Aerobics, and Cardio Attack.

**HIIT** - Workouts involve bursts of high-intensity strength and cardio exercises followed by brief periods of recovery.

**Strength & Conditioning** - circuit training, cardio and body weight exercises and finishing with core training for a complete workout.

**Run/Lift** - We will be training to increase our speed and endurance with running and a total body strength training.

**Yoga** - Includes various techniques such as breathing exercises, postures, and relaxation. Yoga is intended to build strength and stamina, to improve flexibility, coordination and balance, and to relax the body.
